The assembly diagram is divided into four main sections. The top-left section shows the legs (B and C) being attached to the table top (A) using L-shaped brackets (H) and bolts (F). The top-right section shows the hook connector (D) being inserted into the table top (A) and secured with a disc spacer (E). The bottom-left section shows the legs being attached to the underside of the table top (A) using L-shaped brackets (H) and bolts (G). The bottom-right section shows the final assembly with a circular inset indicating the rotation of the legs. At the bottom of the diagram are icons for recycling, a maximum weight limit of 30KG, and the BO-CAMP logo.
